Body Paragraphs

Paragraph 1:

Thank you for choosing MakeWithUs for your software and digital transformation requirements. We

are pleased to present this Service Provision Agreement outlining the execution, payment cycle, confidentiality, and project collaboration structure for the proposed engagement.

Paragraph 2:

The proposed collaboration will focus on delivering scalable digital systems, development assistance, AI-based automation, and operational software solutions based on the agreed project scope and timeline. The service provider commits to maintaining quality standards and professional communication throughout the execution cycle.

Paragraph 3:

This agreement ensures transparency in project execution, timely payments, delivery responsibilities, confidentiality, and mutual collaboration to maintain smooth workflow and long-term professional partnership.

Quotation Number: MWU-2026-001

Project Name: AI-Based Document Automation System

Line Items

1. Description: Frontend Development

Hours: 35

Unit Price: 1200

Amount: 42000

2. Description: Backend API Development

Hours: 40

Unit Price: 1500

Amount: 60000

3. Description: OCR & AI Integration

Hours: 20

Unit Price: 2000

Amount: 40000

4. Description: PDF Automation & Template Generation

Hours: 18

Unit Price: 1800

Amount: 32400

Totals

Subtotal: 174400

GST Amount: 31392

Total: 205792
